
DAIMLER TRUCK

Certified Management Systems

Status June 2025

Our management systems comply with internationally recognized norms and standards, including ISO 14001 and/or EMAS, ISO 50001, ISO 45001, ISO 9001 and/or IATF 16949. The following overview highlights the countries and regions where our locations currently hold valid system certifications. Locations where certification is still in progress are not yet included and will be added in future updates.
